Taylorleds

WU PRO SERIES 1.9MM

NAVARRE, FL - Buffalo Wild Wings in Navarre, Florida, has significantly upgraded its sports viewing experience with our TaylorLEDs WU 1.9mm direct view LED video wall. This advanced installation introduces state-of-the-art technology, delivering an immersive visual experience that matches the restaurant's dedication to premier sports entertainment. Renowned for its exceptional image quality, the TaylorLEDs video wall offers vibrant and true-to-life visuals that enhance the excitement of every game and event.

We extend our heartfelt thanks to AVDIUSA (Audio Visual Design Install) for their crucial role and expertise in realizing this vision. Their exceptional work ensured a smooth and flawless installation, seamlessly integrating the cutting-edge LED technology into Buffalo Wild Wings' lively atmosphere. Together, we have crafted a visually impressive and technologically advanced centerpiece that amplifies the sports viewing experience for all visitors.
