

Project Highlight

five BELOW

NEW YORK CITY, NY - The vibrant Five Below storefront in NYC displays our LED wall transforming shopping into an interactive art experience. This dynamic direct view installation uses cutting-edge ATS-Pro panels to captivate and welcome shoppers, creating an immersive retail environment that blends technology and creativity.

The innovative panels featured in this installation are designed to be both thin and lightweight, allowing for flexible mounting options while maintaining ease of service. Each panel is equipped with advanced hardware, ensuring reliable connections and quick installation.

These dynamic dvLED panels and creative visuals turn the Five Below storefront into a captivating and welcoming space, inviting shoppers into a world of immersive retail.
