DETROIT, MI - Gilly's Clubhouse & Rooftop in Detroit is a popular upscale sports bar and restaurant, known for its lively atmosphere and diverse menu offerings. Recently opened in the heart of downtown Detroit, Gilly's has quickly become a favorite destination for locals and visitors alike, especially those heading to or from nearby Ford Field or Comerica Park. It's also a prime spot for catching the game if you can't be there in person. To further elevate the guest experience, Gilly's installed a state-of-the-art sports ticker driven by the same live sports ticker feed used by sports books, casinos, and arenas. Collaborating with Rock The House Audio Visual, Gilly's chose to install a premium ATS-Pro Taylorleds brand ticker, featuring a high-resolution 2.6mm dot pitch. This ticker is part of the ATS-Pro WS Series, known for its excellent image quality and clarity, making it perfect for displaying live scores, updates, and event-specific content during corporate gatherings. With top-notch management, atmosphere, food and drink offerings, service, and location, Gilly's is primed for success!
