INTEGRATION

VS PRO SERIES 3.9MM

GARY, IN - The Hard Rock Casino Northern Indiana where our direct-view LED walls (dvLED) illuminate both indoor and outdoor spaces with state-of-the-art visuals. Featured installations include the ATS-PRO VS Series 3.9mm, the ATS-PRO OOH Series 10mm Outdoor, and additional 1.9mm & 2.6mm LED panels. This project at the Hard Rock Casino exemplifies our dedication to providing versatile LED solutions that elevate every aspect of the gaming and entertainment industry.

This installation was brought to life through the expert consulting and design from NV5, with integration from Clair Global, and sales and support from Audio Associates in Columbia, MD.
