Transforming the Worship Experience at North Metro Church

ATS-PRO is enhancing worship and engagement at **North Metro Church in Marietta, GA** with a state-of-the-art LED installation featuring **Taylorleds WX Pro 1.8mm dvLED technology**. This immersive display setup creates a visually stunning environment that elevates the worship experience.

Key Installation Features:

- 40-Foot Hanging LED Wall – A massive visual centerpiece with an ultra-sharp 6656 x 2592 resolution, delivering breathtaking clarity.
- Two Wall-Mounted LED Screens – Each measuring 15.75' x 8.86' with a 2560 x 1440 resolution, providing exceptional visual detail.
- Advanced Processing Power – All displays are powered by **Novastar MX40 PRO processors**, ensuring flawless performance and vibrant visuals.

A special thank you to **Austin Sound Design** for their expertise and collaboration in bringing this project to life.
