WA SERIES 2.5MM | WU PRO SERIES 1.9MM

ATLANTIC CITY, NJ - The Borgata Hotel Casino & Spa, operated by MGM Resorts International, now features our captivating direct view video walls, enhancing the environment with vibrant visuals. This installation includes a Taylorleds WA 2.5mm curved wall, transforming the check-in area into a visual spectacular, spanning 30 feet wide and 3 feet high. Additionally, Taylorleds WU 1.9mm walls greet visitors at the Borgata Event Center entrance, featuring an architectural marvel archway measuring 25.7 feet wide by 10.6 feet high. Powered by the NovaStar H series Control System, this monumental collaboration showcases the synergy between cutting-edge technology and creative vision, enhancing the visitor experience at one of Atlantic City's premier destinations.

Special acknowledgments go to Esher Consulting LLC and Calvi Electric Company for their integration efforts, and to Audio Associates for their sales and support.
