WU PRO SERIES 1.9MM

FREDERICK, MD - Frederick Innovative, a business incubator and accelerator designed to foster entrepreneurship, now features a Taylorleds WU 1.9mm direct view video wall. This state-of-the-art wall, boasting a resolution of 3840 x 1080 pixels, stands as a testament to cutting-edge corporate technology. Powered by upgraded driving ICs, NovaStar A10S Pro graphic cards, and an H2 Video Wall Splicer, this installation exemplifies our commitment to innovation and excellence.

Our collaboration with Frederick Innovative Technology Center, Inc. and Audio-Video Group LLC has resulted in an outstanding installation.
